

# TERRE DI LANÒLI

## VALPOLICELLA

DENOMINAZIONE DI ORIGINE CONTROLLATA

In the Illasi Valley. Tuffaceous, clayey and calcareous soil

Starting at the end of September; two passes through the vineyards and strict fruit selection to ensure optimum ageing

Corvina, Corvinone, Rondinella

Roller crushing and destemming. Short maceration and fermentation in steel tanks, followed by early separation of the pomace to ensure that the fragrances of the fruit remains unaffected. Short refinement in steel then in the bottle.

12,5% vol

Italian hors d'oeuvres (Parma ham and melon, salami and figs), white or boiled meats, or indeed any fairly straightforward dishes; worth trying with pizza.

Colour: ruby red  
Bouquet: vinous, intense and typical  
Taste: dry, rounded and well-balanced

16 -18°C
